ASSIGNMENT

WHEREAS, Synapse Group, Inc., having a place of business at 225 High Ridge Road, Stamford, CT 06905, is the owner of a partial right, title and interest in an invention entitled:

METHOD AND SYSTEM FOR CUSTOM SELECTION AND PACKAGING OF ITEMS TO FULFILL CUSTOMER ORDERS

for which an application for United States Patent has been filed on June 30, 2003, under serial number 10/612,283;

AND WHEREAS, Pitney Bowes Inc., a corporation organized and existing under the laws of the State of Delaware and having its place of business at 1 Elmcroft Road, Stamford, Connecticut, U.S.A., is desirous of acquiring certain rights thereunder.

NOW, THEREFORE, for one dollar and other good and valuable consideration, receipt of all of which is hereby acknowledged, Synapse Group, Inc. has agreed to and hereby sells, assigns and transfers unto Pitney Bowes Inc. all rights, title and interest owned by Synapse Group, Inc., in and throughout the United States of America (including its territories and dependencies) and all countries foreign thereto, in and to said invention, said application and any and all patents (including extensions thereof, and all the rights under the International Convention for the Protection of Industrial Property including the right to claim for any foreign patent application the priority date of the corresponding U.S. patent application) of any country, which have been or may be granted on said invention or any part thereof, or on said application or any divisional, continuing, renewal, substitute, reissue, reexamination, or other patent application based in whole or in part thereon, or based upon said invention;

TO BE HELD AND ENJOYED by Pitney Bowes Inc., its successors and assigns, to the full ends of the respective terms of which said patents or any of them have been or may be granted, as fully and entirely as the same would have been held and enjoyed had no sale and assignment of said interest been made;

AND Synapse Group, Inc. agrees that it will execute and deliver or cause to be executed and delivered, to Pitney Bowes Inc. or its legal representatives, any other or additional releases, documents, certificates, powers or other writings prepared by Pitney Bowes Inc., and take all additional actions as may be necessary to effectuate and validate this Assignment, to record this Assignment with the United States Patent and Trademark Office and the appropriate agencies and offices of all jurisdictions in which the invention is or may be registered or in which applications for registration are pending, under the relevant laws of the United States or any other jurisdictions.

AND Synapse Group, Inc. covenants that no right or license to make, use or sell said invention has been granted, that, prior to the execution of this deed, Synapse Group, Inc.'s right, title and interest in said invention has not been otherwise encumbered, and that no instrument which would conflict with this assignment has been or will be executed.

IN WITNESS WHEREOF, this Assignment is duly executed and delivered as of the day and year written below.
